**Prioritization Policy – MaryAnn Priester**

- Changes to the prioritization policy was presented and the slides were included in the packet that was sent out with the agenda.
- The change developed two levels of RRH for the policy.
- The verbiage and table of the changes were reviewed and taken to the Prioritization workgroup.
- CE oversight will need to vote to include the updates to the prioritization tool and levels.
- Prioritization policy updates were voted and approved.

**211 Data – MaryAnn Priester**

- Dec. & Quarter 2 totals are not deduplicated due to calls. These are just touches.
- Those recorded in the month are people that called.
- There was a drop in calls and in-person assessments for December. Q2 1074 in-person assessments.
- There was also a low percentage of veterans that were captured in the data.

Shamika placed the link for Move On training and upcoming Equity and Inclusion meeting in the chat for the group.

**CEOC Officers – Hope Marshall**

Hope made another plea to the group for the Secretary position that still needs to be filled

A vote was taken on switching to Zoom instead of WebEx for these meetings.

**Provider Updates**

- Kenny mentioned the RFP for the ARP funding. He encouraged partnering with the grass roots organizations. Since these funds are on a reimbursement basis it is difficult for smaller agencies to participate due to capacity and finances.

The meeting adjourned at 12:11PM. Next Meeting will be held in January 25th.
