

# ReCAST II Winter Lunch 'n Learn Series

## DESCRIPTION

Join us for an insightful series where we will cover crucial topics such as responding to subpoenas, proper documentation practices, secondary traumatic stress, trauma-informed organizations, and trauma-informed supervision. We will also delve into specialized areas like caring for LGBTQ+ patients and effective communication with interpreters for non-English speaking patients.

## SPEAKERS

We are thrilled to present a lineup of expert speakers who are eager to share their knowledge and insights with you!

## READY TO REGISTER?

We love your enthusiasm! Check out the training dates and registration links to the right!

## LOCATION

The ReCAST II Winter Lunch 'n Learn Series will be broadcast with Zoom. Instructions to join the webinar will be emailed prior to the event. You can test your computer by going to the [Zoom Test Page](#)

## AUDIENCE

Who Should Attend the ReCAST II Winter Series? This series is designed for individuals or groups, particularly those involved in direct service provision for youth and families in Mecklenburg County. This includes employees and staff within education, healthcare, faith communities, non-profits (especially youth-serving organizations), government, justice, behavioral health clinicians, and MOU partners of Mecklenburg County ReCAST II.
