

Charlotte-Mecklenburg Continuum of Care FY2026 HUD Continuum of Care Notice of Funding Opportunity (NOFO)

July 2, 2026-The Charlotte-Mecklenburg Continuum of Care (CoC)'s local funding competition is now open. The CoC is charged by the U.S. Department of Housing and Urban Development (HUD) to submit a community-wide application for homeless assistance funds.

The letter of interest period has been open since May 8, 2026 and remains open. Agencies can submit a [Letter of Interest \(LOI\) form](#) (linked here) to express their interest in submitting new projects as part of the HUD Continuum of Care (CoC) Homeless Assistance Grants competition. Submission of a Letter of Interest does not constitute an application, nor does it constitute approval for funding by the Charlotte-Mecklenburg CoC or by HUD. There is no official due date for LOIs. LOIs will continue to be open to ensure the CoC has enough eligible projects to put forward to HUD for funding.

Information about Continuum of Care program activities and requirements can be found at HUD Exchange, Continuum of Care Program (<https://www.hudexchange.info/programs/coc/>). HUD's Notice of Funding Opportunity (NOFO) will be posted [here](#) when available.

Agencies considering submitting a Letter of Interest form must be able to clearly demonstrate their ability to successfully meet CoC program outcomes in one or more of the activity areas as outlined in the Homeless Emergency Assistance and Rapid Transition to Housing: Continuum of Care Program; Interim Final Rule ([24 CFR Part 578; Docket No. FR-5476-I-01](#)). Please reference the CoC Written Standards [here](#) for information about how each project type must operate. To ensure that proposed projects align with HUD's eligible activities, agencies submitting a NEW project application must attend a mandatory meeting with the Ranking committee members to discuss your proposed project prior to being invited to submit a full application. A link to sign up for a meeting will be provided upon approval of your LOI. You will receive the application materials once your LOI is approved.

The Continuum of Care program is a national competition (42 U.S.C. 11386a). The estimated Annual Renewal Demand (ARD) for the Charlotte-Mecklenburg CoC is \$7,599,490 based on funding available in FY25. Final amount available will be communicated when confirmed by HUD. Bonus funding may be available based on the community's Collaborative Application score.

CoC Governing Board Project Priority Ranking:

The Charlotte-Mecklenburg Continuum of Care (CoC) is required to prioritize and rank projects applying for funding in the CoC competition. Projects seeking renewal or new funding in the FY2026 CoC competition will be prioritized and ranked as follows. The Ranking Committee will transparently balance this priority process with specifically outlined and targeted sub-populations outlined in HUD's NOFO (Notice of Funding Opportunity).

1. **Renewal Permanent Supportive Housing (PSH) projects** ranked by overall percentage scored on the renewal application, from highest to lowest between 50-75% of CoC's Tier 1 amount. Projects

that score lowest may be placed below CoC Infrastructure projects

2. The CoC's **renewal infrastructure projects**. Infrastructure projects are defined as dedicated HMIS grants and Coordinated Entry Supportive Services Only (CE-SSO) grants. Renewal CE-SSO project may be ranked above renewal HMIS project as CE-SSO project provides direct services to people experiencing homelessness
3. **New projects by overall project score:**
 - a. New Transitional Housing projects
 - b. New Supportive Services Only Standalone projects
 - To serve clients who are moving into housing without supportive services attached
 - To serve clients between Coordinated Entry and a housing solution (system navigation)
 - c. New Supportive Services Only Street Outreach projects
 - 2nd & 3rd shift & weekends system navigation/street outreach response
 - d. New Supportive Services Only Coordinated Entry projects
 - e. New or expansion dedicated HMIS (Homeless Management Information System) projects
 - f. New Permanent Housing projects, if eligible
4. **New Domestic Violence Bonus projects** that increase the number of subsidies available by overall project score in the following order by overall project score:
 - a. New Transitional Housing projects
 - b. New Permanent Housing projects, if eligible
 - c. New Coordinated Entry-Supportive Services Only projects
5. **Renewal Rapid Rehousing (RRH) projects and Joint Transitional Housing/Rapid Rehousing projects may be ranked lower than renewal PSH, renewal infrastructure & new projects.**

New projects must be ready to begin in calendar year 2027.

CoC Projects are designed to:

- Promote community-wide commitment to the goal of ending homelessness.
- Fund efforts by nonprofit providers and State and local governments to quickly house or rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness.
- Promote access to and utilization of mainstream benefits by homeless individuals.
- Provide supportive services that are flexible and consumer driven.

NC-505 Local Competition Timeline

(timeline subject to change)

Date	Activity
May 8, 2026-July 27, 2026	Letter Of Interest period opens—LOIs will be reviewed as received
